SmallData Symposium 2024

small data
MORE FROM LESS
CRC 1597

Join our event for shaping the small data community to advance AI and modeling in settings with limited data — hosted by the Collaborative Research Center (CRC) 1597 "Small Data".

The SmallData Symposium will feature international experts, panel discussions and poster sessions, to foster interdisciplinary exchange and create a shared small data language.

Confirmed Speakers

Angelika Rohde (Freiburg)
Anna Köttgen (Freiburg)
Arnoldo Frigessi (Oslo, Norway)
Axel Munk (Göttingen)
Frank Hutter (Freiburg)
Jan Hasenauer (Bonn)
Lisa McShane (Maryland, USA)
Sonja Greven (Berlin)
Sonja Schimmler (Berlin)
Thomas Brox (Freiburg)
